SCHOOL UNIFORM POLICY

The purpose of the uniform is to create a sense of community that engenders the feeling of belonging in all individuals. The uniform represents a commitment to our values which underpin the teaching and learning at Keller Rd. Our aim is to have a learning environment that is supportive, positive, non-discriminatory, equitable and safe.

The wearing of the school uniform proudly identifies our students at all times, especially on excursions. It also avoids the issues of competition and purchasing expensive clothing. Any changes to the school uniform will involve consultation with the wider school community including consultation with the SRC. The final authority for any changes to the School Dress Code rests with the Governing Council.

At Keller Road Primary School, all students are expected to wear the school uniform as listed in this policy. **These are available via the School Front Office.** You can order & pay for uniforms online and in person. Order forms are available from the school office. You will be notified when your order has been filled and you can organise to collect uniform orders from either the school or the store.

The School Uniform Policy is designed to:

- Provide suitable, safe and sun smart school clothing and footwear.
- Ensure that clothing is comfortable, practical and appropriate for all school activities.
